January 6, 2015

7:00 p.m.

Medway Library

Trustees

Diane Burkhardt, Vice Chairperson

Ed Duggan

Karen Kassel, Secretary

Chris Monahan, Chairperson

Margaret Perkins, Library Director

Meeting called to order at 7:04 p.m.

A. Approval of Agenda

KK: Motion to approve agenda as written: KK1, ED2; unanimously approved.

B. Secretary's Report (December 2, 2014)

ED: Motion to approve Secretary's Report from December 2, 2014 meeting: ED1, DB2; unanimously approved.

C. Citizens Speak

None present.

D. Budget Report

The budget for FY16 is due in Munis on January 7, 2014. Margaret distributed the [Library's proposed budget](#) to the Trustees.

In a few weeks, Margaret will meet with the finance team. This meeting will give her a better idea of how much of the requested

funds the Library will receive. This meeting is no guarantee; the budget needs to go to the BOS for approval.

The proposed budget includes funding to make the Children's/Young Adult Librarian position full time (an increase from 20 hours to 40); this increase would also allow the Library to be open earlier on Tuesdays and Thursdays.

Margaret also distributed the [budget for December 2014](#); there is nothing out of the ordinary to report.

E. Director's Report

Purchases this month include a Kindle Fire HD Kids Edition tablet (which will be attached to the long table in the children's area) and a new printer, which is working well.

DPS received an estimate of \$1600 for installation of an automatic door opener for the downstairs door. They are waiting on an estimate for the electrical work.

The Library's contribution to the Town Annual Report for calendar year 2014 is due the 13th of February. Margaret will revise the report from last year. Photos are needed.

Please let Margaret know if you have any information or photos that should be included in the annual report. Last year's Annual Report will be sent in a separate document.

Children's and Teen Services Report

Mariah's last day is January 13, 2014. The staff will cover all of the programs scheduled for January.

We discussed the process of searching for a new Children's/YA Librarian. We decided to wait to begin the search until we know if

the position will be funded at 20 or 40 hours per week; whether the position is part or full time will likely make a difference in the applicant pool.

Margaret will investigate the possibility of hiring a temporary librarian through Bibliotemps until we have a clearer sense of what the Children's/YA Librarian position will look like.

F. Old Business

Use of Open Basement Space

The Medway Players has cleaned out all that they are taking from the basement back room. They are donating some things to the library, such as furniture and lights; Margaret has a list of these items. The Trustees and/or Margaret will go through what remains in that room and determine what to do with it.

The estimate for installing dehumidifiers will be redone; it does include the basement back room. Chris requested that it also include an option to install another dehumidifier in case a wall is put in to separate the book sale area from the potential MakerSpace area.

Chris distributed a document of reference information on MakerSpaces, including links to many existing spaces. We discussed the many possibilities that go along with this idea, such as getting the teen advisory group involved, soliciting patron ideas, using the cable access materials to start the space, and soliciting donations from local businesses, among other things.

Medway Cable Access Activity Follow up

John Foresto is not here. Chris will follow up with him.

Review of Long-range Plan

The new Long-range Plan will cover 2016-2020. It needs to be submitted to MBLC by October 1, 2015.

We may want to create a committee to revise the long-range plan. The committee may include Trustees, the Director, staff, regular patrons, Friends members, school librarians, selectmen, teenagers, and other interested parties. The committee will meet separately from the Trustees.

At our February Board meeting, we will determine the process of revising the long-range plan.

Margaret will review the existing long-range plan and remove the items that are no longer appropriate.

Review of Director Evaluation Document

The Library Director's formal evaluation will be done at the March meeting. The evaluation document needs to be finalized at the February meeting. We briefly reviewed the document and discussed some changes. [The document, with suggested edits shown in color, is attached to these minutes.](#) Trustees should review this document so they are prepared to discuss and finalize at the February meeting.

Handicap Accessibility of the Building

Discussed with Director's Report.

G. New Business

Children's/YA Librarian Replacement

Discussed with Director's Report.

Staff & Trustee Matters

ED: we should look into the possibility of the staff wearing name

tags. I've seen this in other libraries; it would be helpful.

MP: this could be a union issue; I will look into it.

CM: should we have Trustee office hours?

The Trustees agreed that we are open to offering office hours.

H. Special Programs, Fundraising, Sponsorships

None discussed.

I. Adjournment – 8:55 p.m. Next meeting February 3, 2015

ED: Motion to adjourn, ED1, DB2, unanimously approved.

Medway Public Library
Director's Report
January 2, 2014

Programs (see also Children's/Teen Librarian's report)
in December:

- Living with Coyotes (26 patrons; recorded by Cable Access)

Special upcoming programs include:

- Nutrition Book Group with Karen Kassel
- Ragtime Program with Deborrah Wyndham

Patriot Place has given the Library passes for free admission to Winter Skate at Patriot Place. These passes have proved very popular.

Building

DPS replaced the light that was out on the left side of the Library, near the steps. The light on the pole by the street is scheduled to be replaced soon. The electrician will replace the two lights on poles near the building with new LED lights, which should make the parking lot much brighter. If those work well, they will then replace the equivalent lights in the back parking lot with LED lights.

DPS obtained a quote for installing an automatic door opener on the door facing the street, and has requested a quote for the associated electrical work.

The gutters and downspouts above the ramp will be replaced with larger ones, which should alleviate the icing problem.

Technology

Our color printer in the Circulation Office is on its way out, making a loud grinding noise. A few months ago the color printer on the Circulation Desk stopped working, and one of the printers in Technical Services also stopped working awhile ago. All of our printers are about 6-7 years old. I purchased a new color printer. It has automatic duplex (double sided) printing, so we will be able to save money on paper, and be more "green."

Also purchased this month was a Kindle Fire HD Kids Edition tablet, which comes with a year's subscription to FreeTime, including 5,000 children's books, movies, education apps and games, etc., and a two year warranty. Mariah and I plan to attach it to the long table in the Children's Room.

Staff Update

I (Mariah) will be sadly leaving Medway Library and my last day is January 13, 2015. I have loved working at Medway! It has been a privilege to get to know the staff and community. There are lovely people here whom I will miss very much. I will be wrapping up projects and preparing any budgets, grants, and other information for my replacement during my last few days in January.

Collection Development

Acquisitions

In December, I ordered 86 children's items for \$652.61 (all prices taken after discount is applied). This included: 36 picture books, 28 juvenile chapter books, 4 easy readers, 7 non-fiction, 7 board books, and 4 graphic novels. I also ordered 42 replacement items for \$317.08. I only replaced titles which are considered "classics" such as the Paddington series and Ramona Quimby books, that won prestigious children's literature awards, or had extremely high circulation statistics.

For YA materials, I ordered 63 items for \$649.35. These include 16 non-fiction items, and 47 fiction titles. For YA non-fiction I have focused on building a collection of music books covering a range of popular artists and Broadway musicals, as well as gaming manuals.

As of December 31, 2014 26% of the Children's materials budget remains and 32% of the YA materials budgets remains.

Weeding

We have finished weeding the juvenile collection and easy readers based solely on circulation statistics. I have been working on more thoroughly weeding the juvenile collection to get rid of outdated or destroyed materials and have finished A-H.

Children's and Teen Programming

This month we held 7 programs for children.

Approved 11/5/2013, proposed revisions Jan 2015

Red = Margaret

Green = Ed

Purple = Karen

The Medway Library Board of Trustees will conduct a formal, written evaluation of the Library Director each year in March.

Purposes of the Performance Evaluation

- To provide the Director with a clear understanding of the Board's expectations.
- To ensure the Director and the Board are aware of how well the expectations are being met.
- To serve as a formal vehicle of primary communication between the Board and Director.
- To identify the Board's actual concerns so that appropriate action can be taken.
- To demonstrate sound management practices and accountability to municipal officials and the community.
- To identify clearly the objectives for the coming year and have a jointly written document agreed upon by the Board and the Director.
- To identify and provide the Board and the Director a formal opportunity to evaluate and discuss the Director's job description and adjust it as necessary.

Expectations and Evaluation

Directors are held accountable to many varied and sometimes conflicting constituencies. The Board and the Director must recognize these groups and acknowledge the relationship with each one:

- The general public **and library patrons**
- Elected officials, **the Board of Selectmen, and the Town Administrator and the appointed governing officer who supervises other municipal departments**
- The library staff **members who have diverse personal expectations for their director**
- **Public pressure groups who exert pressure on the director to respond to their concerns**-(what does this mean? General public is already mentioned)
- The Friends of the Library **groups**
- The Library Board of Trustees **Individual members of the board of trustees who have personal priorities for the library and the director**

Good communication, public relations, a written plan, and clear policies will all help the Board and Director to deal with any conflicting expectations. The evaluation

method and process can be designed to include input from all these groups, but the final responsibility rests with the Board.

Definition of Rating Terms

5: Outstanding: The Director's performance is exceptional in comparison to expectations.

4: Highly Effective: The Director always meets and frequently exceeds performance expectations.

3: Effective: The Director consistently meets performance expectations and performs in a professional and competent manner.

1: Unacceptable/Needs Substantial Improvement: The Director does not meet performance expectations, even at a minimally acceptable level; the Director requires significant extra direction and/or constant supervision from the Library Trustees. Need for immediate and significant improvement.
