Attendees
Trustees:

Margaret Perkins, Library Director

Meeting called to order at 7:04 pm

A. Approval of Agenda
Motion to approve agenda: CB1, KK2, unanimously approved.

B. Secretary’s Reports (July 1 & August 5)
Motion to approve Secretary’s Report from July 1, 2014 meeting:
CB1, DB2, approve: 4 (CB, DB, KK, CM); abstain: 2 (ED, JSS).

Motion to approve Secretary’s Report from August 5, 2014 meeting:
ED1, DB2, approve: 4 (DB, ED, CM, JSS); abstain: 2 (CB, KK).

C. Citizens Speak
We discussed a recent complaint from a patron who wanted to check out a book but did not have a library card or up-to-date proof of address.

We reviewed our policy for “appropriate ID” and determined that it is
adequate for now. This is the first time there has been an issue regarding proper identification.

We also suggested that the confidentiality policy should be readily available to patrons.

Margaret and/or Chris will respond to the patron to apologize for the inconvenience and to explain our policy of appropriate ID to check out a book.

D. **Budget Report: FY 2015**
We now have an account for the funds we received at Town Meeting, which are used to purchase books and materials and to fund the nighttime steward position.

We discussed the Tuchinsky Fund, which is held in two accounts. The Principal is earmarked to generate the Interest. The Interest can be used at the discretion of the Trustees; we use it only when absolutely necessary.

The Tuchinsky Fund accounts are managed by the Town Treasurer. The question was raised: should these accounts be invested more aggressively? Margaret will talk with the Treasurer to find out how she decides where to invest the money, and if she needs Board approval to change the investment.

E. **Director's Report**
The website is mostly done and the mobile version is coming soon. People can register for a library card online.

F. **Old Business**
**Fax Machine**
We considered purchasing a new, simpler fax machine. Also discussed reducing the price to fax.

- Many libraries do not even have a fax.
- Some local businesses, such as AdPrint, charge less than we
do.
- The fax machine gets little use, except for one patron who uses it a lot.
- HP and Epson have machines for under $100 that fax and do wireless printing.
- A bulk feeder would also be useful.
The Trustees agreed it would be worth purchasing a new fax machine using money from the revolving fund.

**Motion** to reduce the price of a fax to $0.50 per page from $1.00 per page: JSS1, DB2, unanimously approved.

**Basement Space**
The Medway Players will be removing their props and scenery from the basement book room. We will have a good-size space available. We discussed how best to use it. One idea is a MakerSpace. The Westport, CT library has a MakerSpace ([http://westportlibrary.org/services/maker-space](http://westportlibrary.org/services/maker-space)).

The room is a basement and would need some level of remodeling to improve ventilation, access, etc.

We will think about ideas and discuss again next month.

**G. New Business**
**Medway High School Library**
The Medway High School Library is out of date. Is it crazy to make them a branch of our library? This has been done in a few libraries in Arizona:
[https://en.wikipedia.org/wiki/Perry_Branch_Library#County_library](https://en.wikipedia.org/wiki/Perry_Branch_Library#County_library)

We discussed this idea and decided and decided that it is not something we pursue.

**Signage for Lower-level Technology Lounge**
Ed suggested that since we have renamed the lower-level technology lounge the Wendy E. Rowe Technology Lounge, we could remove
the previous sign, which just says Lounge. After brief discussion, the consensus was that it would be fine to remove the old Lounge sign.

H. Special Programs, Fundraising, Sponsorships
Looking long-term… will the reduction of print books in favor of eBooks affect donations and purchases for the Friends' used book sale? Fundraising can takes years to get going, so we should start thinking of ideas for the future.
Note: This is repeated from last month to make sure Board Members on vacation last meeting are aware of this.

I. Adjournment - next meeting October 7, 2014
Motion to adjourn: CB1, ED2, unanimously approved.

**Technology**

Starting September 2\(^{nd}\), the Minuteman Library Network will allow online library card registration. The online cards will be valid only to place holds, access electronic resources, and download ebooks and audiobooks from Overdrive, for up to 30 days, after which the eCard will expire unless the patron has come to the Library in person with appropriate identification to obtain a physical card.

We are now using Google Drive to share flyers and other documents, schedules and the sign-up for the eReader and Tablet training sessions.

Our new mobile website is almost ready to go live.
