1. Call to Order - 7:00 p.m.
2. Hiring of Bibliotemps: Discussion & Vote - The Trustees discussed hiring a Bibliotemp to cover the children's librarian position due to the position being recently vacated. Ms. Aguilar stated that she spoke to Cheryl from the town and due to the unique position, they have to go through the union. The union stated a Bibliotemp would be allowed for 90 days. Ms. Aguilar stated that she still has the job description from the last time the children's librarian was hired and felt it was still relevant. Ms. Sheehan asked if Ms. Aguilar felt she needed more help, possibly another Bibliotemp for circulation desk responsibilities, etc... Ms. Aguilar stated she felt with new hires and subs that she would be ok.

*Ms. Alessandri made a motion to authorize the hiring of a children's youth librarian through the Bibliotemps service for up to 90 days, seconded by Ms. Mathew, approved by all.*

3. Adjournment - 7:15 p.m.
