**Children's/YA Librarian Report (Audrey Snowden):**

Our numbers were way down for June, but this is not terribly surprising given the end of school and a generalized Zoom fatigue. We're going to keep going with yoga on Facebook, but will split our storytimes between Zoom and live sessions in the park, for the rest of the summer. Kits remain popular and we'll keep doing those as well.

The Summer Reading Program is underway, and there are some great prizes!

In collaboration with Human Resources, we advertised a 12 hour/week Library Assistant position. There were many applicants. I selected an applicant, who will start on July 12th. I am working on hiring approximately three people as Substitute Library Assistants.

We are working on expanding our collection to create a Library of Things, beginning with computer games. We have also purchased Playaways and Wonderbooks.

As of June 1st, the Library is open normal hours from Monday through Friday.
