Read the Rainbow Book Club - Our YA book club that focusing on **LGBTQ+** themed books

Certifications:

3d printer - 1 person

Equipment Use:

The 3d printer was very popular this month. Also used were the 8mm converter, VHS converters, Epson scanner, Large format printer, new IMAC computer (for film editing), DVD buffer, laminator, soldering iron, fabric & yarn supply and general craft supplies. The projector and screen is used weekly during Arduino & the Middle School programs.

Other News:

Barry (MCA) installed a VHS to digital file converter. We have changed his help hours to Thursdays from 2-4pm to accommodate the Middle School drop off program.

The middle school drop sessions were a big hit and the children asked us to continue it. We will be starting up again on January 11. We even have non Medway Middle schoolers who are participating.

Cosplay club will continue to meet once a month starting in January.

The 3D optical scanner has arrived. It is in the process of being tested.

The CNC enclosure in the process of being configured. Once that is complete, the certification process and safety guidelines will be developed.

Upcoming January Programs in the Makerspace:

Middle School Drop off - January 11, 18, 25 from 2:30-4pm

STEAM Wednesday - January 18 - 4pm

Tween & Teen D&D - January 23 - 4pm

Arduino Coding & Robotics (Monday nights)

Building and Grounds

DPW continues to prepare for replacement of over 100 recalled sprinklers.
During a recent heavy storm, there was some leakage around the windows, which DCF repaired.

Other

The lower level was open 16 nights in December, for 8 meetings and programs, and 20 individuals using computers and the Makerspace.

The Library received a generous donation of many art books in excellent condition.

Margaret Y. Perkins, Library Director
