Medway Middle School Summer Reading 2024

SLIDESMANIA.COM

Summer, 2024

Medway Middle School wants you to have a wonderful summer filled with sun, fun, and **BOOKS**! Teachers from Grades 5-8 would love it if you read at *least two to four books* this summer. One of these books is encouraged to be selected from the ***Strongly Recommended List*** for the grade level that the student is entering. The majority of these books are taken from the Massachusetts School Library Association's recommended reading lists. Our teachers have also compiled a list of their favorite books that they hope students will enjoy.
